Report of Principal and School Improvement Council

At B-C Grammar School No. 1, we infuse the 16 Habits of Mind to ensure that our students are achieving success as learners in a global society. Our students PERSIST through rigorous, relevant, and rich educational experiences, regardless of their ability levels. Our Response to Intervention (RTI) initiative and Read 120 intervention program targets students in kindergarten, first, second and third grades to provide proactive strategies for helping them reach optimal literacy performance. Our goal with all students is that they become FLEXIBLE THINKERS who focus on METACOGNITION and being aware of their current learning realities. In fact, we are a magnet school for the OASIS Academy, a full-day academically accelerated program for selected students who qualify for state gifted and talented services. With one class each at 3rd, 4th, and 5th grades, the students actively engage in inquiry learning experiences by QUESTIONING AND POSING PROBLEMS and GATHERING DATA THROUGH ALL SENSES. We recognize students as individuals with unique intellectual, social, and physical strengths and weaknesses, which prompts teachers and administrators to STRIVE FOR ACCURACY in using a variety of data to LISTEN WITH UNDERSTANDING AND EMPATHY to what the data says about our students' needs. Our administrative team MANAGED THEIR IMPULSIVITY and took time to hire only the best teachers for our students, including our 2014-2015 Teacher of the Year Kayla Edrington and Staff Person of the Year Tanya Bryant. Our students are also fortunate enough to have their learning facilitated by eight National Board Certified Teachers. With a wealth of knowledge and a variety of experiences, teachers collaborate during data team meetings, professional learning teams, and common planning times. They RESPOND WITH WONDERMENT AND AWE when CREATING, IMAGINING AND INNOVATING carefully designed lessons that will empower our students to TAKE RESPONSIBLE RISKS, THINK AND COMMUNICATE WITH CLARITY AND PRECISION when sharing what they know with the world. We realize that our mission is to prepare our students to be productive citizens in society and that we cannot take on this charge alone. We THINK INTERDEPENDENTLY with parents, community members, and other stakeholders during SIC and PTO meetings to ensure our students' success. We host several community outreach functions to FIND HUMOR, enjoyment, and celebration in our students' many gifts and talents including Bearcats' Got Talent, Poetry on the Playground and Spring Fling. Ultimately, we are building the whole child: socially, emotionally, and academically so that they can REMAIN OPEN TO CONTINUOUS LEARNING and APPLY PAST KNOWLEDGE TO NEW SITUATIONS. At B-C Grammar School No. 1, we equip our students for lifelong success, actively prepare them for colleges and careers, and know that what they are "Learning Today" guarantees their "Knowing Tomorrow."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	90.6
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

BC Grammar School #1 has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
X	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
